Education

Masters of Science: Computer Science
International University of Applied Sciences
Aug 2023 - Present

Bachelors of Technology: Computer Science
Rajiv Gandhi Proudyogiki Vishwavidyalaya
Aug 2019 - May 2023
CGPA: 7.8

Projects

YelpCamp: MERN Stack + Typescript

- Developed a full-stack campground reviewing website, YelpCamp, using the MERN stack (MongoDB, Express, React, Node.js) and TypeScript.
- Implemented user authentication, CRUD operations, and RESTful API endpoints for campgrounds, comments, and user data.
- Utilized MongoDB for efficient database management and Mongoose for data modeling.
- Implemented responsive design and followed modern web development methodologies to enhance the user experience.
- Employed TypeScript for improved code maintainability and enhanced type safety.

RealEstate: MERN Stack + Typescript

- Developed a comprehensive web application called RealEstate using TypeScript, React, Redux, Tailwind, NodeJS, ExpressJS, and MongoDB.
- Designed to provide users with a seamless experience for browsing and managing real estate listings.
- Implemented advanced search functionality to allow users to find relevant property listings more efficiently.
- Created a user-friendly interface to enhance the overall user experience.
- Ensured secure authentication mechanisms to protect user data.
- Enabled users to save listings and contact real estate agents for convenient property transactions.

Airbnb Clone: NextJS + Typescript

- Developed a comprehensive web application called RealEstate using TypeScript, React, Redux, Tailwind, NodeJS, ExpressJS, and MongoDB.
- Designed to provide users with a seamless experience for browsing and managing real estate listings.
- Implemented advanced search functionality to allow users to find relevant property listings more efficiently.
- Created a user-friendly interface to enhance the overall user experience.
- Ensured secure authentication mechanisms to protect user data.
- Enabled users to save listings and contact real estate agents for convenient property transactions.
